East of England - Stane Retail Park nominated by The Churchmanor Estates Company

The newly constructed park comprises 173,000 sq. ft (ground floor) retail space with considerable community benefits. Confirmed occupiers include B&Q, Aldi, M&S, Greggs, Cook and Mountain Warehouse. The Park is exceptionally well designed, of very high quality, fully landscaped, and has been delivered despite national economic challenges relating to the ever-changing retail market, Brexit, and the Covid-19 pandemic.

Judges' comments - This scheme harnesses the changing retail world, whilst taking into consideration within its design, its surroundings, through low environmental impact materials, rainwater harvesting and EV charging for cycles.
