Scarborough, Seamer Road Retail Park

Magnet opened in former Brantano

The landlord of Seamer Road Retail Park, CBRE Global Investors, has announced that a new Magnet showroom opened in part of the former Brantano unit this week.

Simpsons York Limited carried out the sub-division works and refurbishment of the façade, under the guidance of Hollis Global's Leeds office. The larger unit of 3,580 sq ft is occupied by a Magnet showroom following a relocation from larger premises on an adjoining site.

The landlord obtained planning permission for the remaining unit of 2,300 sq ft to be used for as a shop or as a café. Joint agents Savills and Gregory Moore Property have reported that local enquiries have already been received.
